20. All faculty members on 12-month appointments.
21. Beginning in the 2021–22 academic year, there are no longer any full-time primarily instructional faculty with 11- or 12-month contracts.
22. Benefits data estimated from last year's data.
23. Benefits expenditure includes increased contributions to state pension plans to address past shortfalls.
24. Note 24 has been removed from appendix I at the request of the institution.
25. Duke University excluded non-tenure-track faculty members from the data reported to AAUP.
26. Employee retirement plan temporarily reduced.
27. Excluding the college's substantial contributions to Health Savings Accounts for faculty opting into high-deductible health plans grossly underrepresents the college's contribution to employee health care.
28. Faculty contracts indicate a maximum employer contribution to defined-contribution retirement plans of 11 percent of base salary, but the administration has calculated an average cost of 16.85 percent for all retirement programs.
29. Faculty who have an institutional rank of lecturer and receive a postdoctoral fellowship are reported under the rank of lecturer.
30. In an effort to establish standard titles and provide promotion opportunities for nontenured faculty across units, in 2018, Penn State instituted a policy that created new academic teaching ranks of teaching professor, associate teaching professor, and assistant teaching professor. Consequently, a large number of faculty moved from lecturer and instructor ranks into one of the new teaching ranks. Per AAUP survey instructions, these non-tenure-track ranks are categorized with tenured and tenure-track ranks. The recategorization and mandatory AAUP reporting guidelines resulted in decreased average faculty salaries that are not a true reflection the salary structure at Penn State for a tenure/tenure-track faculty member.

31. Includes Abington, Altoona, Beaver, Berks, Brandywine, DuBois, Fayette, Greater Allegheny, Hazleton, Lehigh Valley, Mont Alto, New Kensington, Schuylkill, Shenango, Wilkes-Barre, Worthington Scranton, and York campuses. 32. Includes Arts and Sciences, Engineering, School of Dental Medicine, public health faculty members in the School of Medicine, Cummings School of Veterinary Medicine, Fletcher School of Law and Diplomacy, and Friedman School of Nutrition Science and Policy.
33. Includes Brentwood, Brooklyn, Hudson at Westchester, Post, and Riverhead campuses.
34. Includes Chalon and Doheny campuses.
35. Includes Cookeville, Highland Crest, and Livingston campuses.
36. Includes Everett, Pullman, Spokane, Tri-Cities, and Vancouver campuses.
37. Includes Great Valley, Harrisburg, and Erie campuses. In an effort to establish standard titles and provide promotion opportunities for nontenured faculty across units, in 2018, Penn State instituted a policy that created new academic teaching ranks of teaching professor, associate teaching professor, and assistant teaching professor. Consequently, a large number of faculty moved from lecturer and instructor ranks into one of the new teaching ranks. 43. Johns Hopkins University excluded non-tenure-track faculty members from the data reported to the AAUP.
44. Michigan State University implemented temporary salary reductions due to COVID-19.
45. Only includes full-time faculty members on 9-month contracts. Excludes full-time faculty members on 12-month contracts.
46. Partial or full tuition waiver at this institution, depending on hire date. Partial waiver at other institutions (but not through a consortium or Tuition Exchange).
47. Retirement benefits are estimated based on a percentage of total pay per the human resources office.
48. Retirement benefits for 2021–22 include a one-time contribution representing 9 months of contributions that were temporarily suspended in 2020–21.
49. Salary includes university-funded (not grant-funded) research allowances paid to faculty on 9-month contracts.
50. St. Francis College contributes 25 percent of the medical insurance deductible into employee Health Savings Accounts.

51. Starting in 2020–21, data are reported for total university rather than by campus.
52. Step progressions as well as housing stipends if applicable were included in total compensation for 2021–22.
53. The retirement cap resulting from budget changes due to the COVID-19 pandemic was in effect November 2020–April 2021.
54. USNA faculty are on a 10-month contract; salary numbers are reported out as accurately as possible given the difference in contract length
55. University formerly known as Indiana University–Purdue University–Fort Wayne.
56. University of Notre Dame excluded non-tenure-track faculty members from the data reported to the AAUP.
57. University of Pennsylvania excluded non-tenure-track faculty members from the data reported to the AAUP.

59. Visiting faculty and professors of practice were reported at instructor rank per AAUP instructions this year. Prior to 2020–21, visiting faculty were reported at rank (visiting assistant at assistant, etc.) and professors of practice were reported as no rank.
93. Three faculty members on paid sabbatical were excluded from the provisional data release and are now included in the corrected appendices.

NOTES TO APPENDIX III

60. Adjunct faculty compensation is reported only for sections that meet minimum enrollment criteria.
61. Adjunct faculty were paid a standard rate of \$3,065 per 3-credit course section.
62. Adjunct pay minimum is based on an underenrolled class. Minimum pay for a fully enrolled class is \$3,365.
63. All Austin College course are offered as one "course unit," which we equate as 4 credit hours on a standard university schedule. The part-time faculty pay is for these "one course unit" courses.
64. All part-time faculty teach courses that are equivalent to 4 semester hours. Salaries have not been converted to 3 credit hours.
65. Benefits expenditure includes increased contributions to state pension plans to address past shortfalls.
66. Excludes data points for part-time faculty members who are compensated in addition for their responsibility outside of their teaching duties. There is no distinction in the portion of the salary that is associated with their teaching responsibility. In addition, part-time faculty members who exclusively teach clinics were excluded as well.
67. Includes Abington, Altoona, Beaver, Berks, Brandywine, DuBois, Fayette, Greater Allegheny, Hazleton, Lehigh Valley, Mont Alto, New Kensington, Schuylkill, Shenango, Wilkes-Barre, Worthington Scranton, and York campuses.
68. Includes Brentwood, Brooklyn, Hudson at Westchester, Post, and Riverhead campuses.
69. Includes Chalon and Doheny campuses. The minimum, mean, and maximum salary amounts are provided per the university's academic salary table. The per-unit rates articulated on our salary table have been calculated to represent the minimum, maximum, and mean payment for a 3-unit course. Salary amounts for all nonsalaried part-time faculty are based on this salary table.
70. Includes Cookeville, Highland Crest, and Livingston campuses.
71. Includes Everett, Pullman, Spokane, Tri-Cities, and Vancouver campuses.
72. Includes Great Valley, Harrisburg, and Erie campuses.
73. Includes Kenai Peninsula, Kodiak, Matanuska Susitna, and Prince William Sound Colleges.
74. Includes Owens, Stanton/George, and Terry campuses.
75. Includes U of Arizona–South.
76. Includes the Mount Ida Campus, formerly reported as a separate institution, Mount Ida College.
77. Lecturer (per-section) pay is for Denver Campus only and refers to 2018 policy grid, adjusted for two years to estimate academic year 2020–21 rates. Count is for Denver/AMC consolidated, excluding School of Medicine.
78. Most regular sections carry four credits.
79. Part-time faculty salaries are not converted; based on 4-credit course sections.
80. Part-time excludes private lessons and law.
81. Part-time faculty are paid at an hourly rate using 18 hours per credit hour (unit).
82. Part-time faculty compensation is highly variable and depends upon course enrollments, instructor degree, and other factors. Salary information is provided based upon courses taught at the standard rate for the faculty member (per AAUP guidance).
83. Part-time faculty teach a 4-credit hour course standard and salaries have not been converted.
84. Part-time per-section faculty have retirement benefits if they are already a member of the OTRS system. OPSU gives adjunct faculty members the opportunity to teach course sections that do not meet minimum enrollment requirements for a full-pay course section (6 students) at a prorated salary.
85. Pay is on a course-unit system, where courses are essentially 4 semester credits.

86. Per-section salary amounts have been converted to 3-credit-hour equivalents as specified by AAUP instructions. Unadjusted 5-credit-hour rates are \$9,000 (minimum), \$25,764 (maximum) and \$15,956 (mean).
87. Starting in 2020–21, data are reported for total university rather than by campus.
88. The maximum per-section salary amount is inclusive of courses that require special expertise or professional credentials to teach the section.
89. The mean salary for form 6 cannot be provided because pay is based on load hours, not credit hours. The information on this form represents the number of undergraduate part-time faculty only.
90. The minimum pay is due to underenrolled classes (typically a class needs 4–6 students enrolled), and a fully enrolled course pays \$1,850.
91. University formerly known as Indiana University–Purdue University–Fort Wayne
92. University of South Florida has consolidated to form one university instead of a system; henceforth, the data will be reported as one university (previously three) under the IPEDS Unit ID 137351.
