20. All faculty members on 12-month appointments.
21. Assumption University now assigns rank to professors of practice. These faculty were previously reported as instructors, per the survey instructions.
22. Beginning in the 2021–22 academic year, there are no longer any full-time primarily instructional faculty with 11- or 12-month contracts.
23. Benefits data estimated from last year’s data.
24. Benefits expenditure includes increased contributions to state pension plans to address past shortfalls.
25. By terms of the collective bargaining agreement, full-time faculty at Stony Brook University receive “location pay” of \$3,026 each to account for the high cost of living in the region. Location pay is included in salary amounts.
26. Davidson College provides employees \$750 or \$1,500 toward a Health Savings Account (HSA) for those who elect the high-deductible health plan. HSA contributions are not reflected in this year’s AAUP survey.
27. Due to the restricted reporting format on Form 2 where figures are asked to be reported by a gender binary (i.e., men and women), one instructor who identifies as nonbinary for their gender identity has been categorized as a woman based on their biological sex.
28. Duke University excluded non-tenure-track faculty members from the data reported to the AAUP.
29. Emory University excluded non-tenure-track faculty members from the data reported to the AAUP.
30. Employee retirement plan temporarily reduced. Medical degree is a DNP (Doctor of Nursing Practice).
31. Excludes the college’s substantial contributions to Health Savings Accounts for faculty opting into High Deductible Health Plans, grossly underrepresenting the college’s contribution to employee health care.

32. Faculty contracts indicate a maximum employer contribution to defined-contribution retirement plans of 11 percent of base salary, but administration has calculated an average cost of 16.85 percent for all retirement programs.
33. Faculty who have an institutional rank of lecturer and receive a postdoctoral fellowship are reported under the rank of lecturer.
34. Franklin College included additional stipends in the prior year's salaries.
35. GCSU faculty are on 10-month contracts.
36. In an effort to continue to stay competitive with peer institutions in the recruitment and retention of high-quality teaching-focused faculty, new teaching streams were implemented in 2022–23. The salary level for the “teaching stream” was adjusted relative to “clinical” and “of practice” streams, all of which are ranked positions but not tenure eligible. New titles for those with doctorates or approved terminal degrees: lecturer → assistant teaching professor; senior lecturer → associate teaching professor; principal lecturer → full teaching professor.
37. In an effort to establish standard titles and provide promotion opportunities for nontenured faculty across units, in 2018, Penn State instituted a policy that created new academic teaching ranks of teaching professor, associate teaching professor, and assistant teaching professor. Consequently, a large number of faculty moved from lecturer and instructor ranks into one of the new teaching ranks. Per AAUP survey instructions, these non-tenure-track ranks are categorized with tenured and tenure-track ranks. The recategorization and mandatory AAUP reporting guidelines resulted in decreased average faculty salaries which are not a true reflection the salary structure at Penn State for a tenure/tenure-track faculty member.
38. Includes Abington, Altoona, Beaver, Berks, Brandywine, DuBois, Fayette, Greater Allegheny, Hazleton, Lehigh Valley, Mont Alto, New Kensington, Schuylkill, Shenango, Wilkes-Barre, Worthington Scranton, and York campuses. 41. Includes Chalon and Doheny campuses.
42. Includes Everett, Pullman, Spokane, Tri-Cities, and Vancouver campuses.
43. Includes Great Valley, Harrisburg, and Erie campuses. In an effort to establish standard titles and provide promotion opportunities for nontenured faculty across units, in 2018, Penn State instituted a policy that created new academic teaching ranks of teaching professor, associate teaching professor, and assistant teaching professor. Consequently, a large number of faculty moved from lecturer and instructor ranks into one of the new teaching ranks. 56. Salary includes a special 7 percent benefit for all benefits-eligible faculty over the age of 40.
57. Salary includes university-funded (not grant-funded) research allowances paid to faculty on 9-month contracts.
58. St. Francis College contributes 25 percent of the medical insurance deductible into employee Health Savings Accounts.
59. Starting in 2020–21, data are reported for total university rather than by campus.
60. The University of Pittsburgh at Titusville is under the management and administration of the University of Pittsburgh at Bradford.
61. The University of Pittsburgh at Titusville is under the management and administration of the University of Pittsburgh at Bradford. NOTES TO APPENDIX III

68. Adjunct faculty compensation is reported only for sections that meet minimum enrollment criteria.
69. Adjunct faculty were paid a standard rate of \$3,065 per 3-credit course section.
70. All Austin College courses are offered as one “course unit,” which is equated as 4 credit hours on a standard university schedule. The part-time faculty pay is for these “one course unit” courses.
71. All part-time faculty teach courses that are equivalent to 4 semester hours. Salaries have not been converted to 3 credit hours.
72. Benefits expenditure includes increased contributions to state pension plans to address past shortfalls.
73. Excludes data points for part-time faculty members who are compensated in addition for their responsibility outside of their teaching duties. There is no distinction in the portion of the salary that is associated with their teaching responsibility. Part-time faculty members who exclusively teach clinics were excluded as well.
74. Excludes staff whose primary role is not instruction.
75. Includes Abington, Altoona, Beaver, Berks, Brandywine, DuBois, Fayette, Greater Allegheny, Hazleton, Lehigh Valley, Mont Alto, New Kensington, Schuylkill, Shenango, Wilkes-Barre, Worthington Scranton, and York campuses.
76. Includes Brentwood, Brooklyn, Hudson at Westchester, Post, and Riverhead campuses.
77. Includes Chalon and Doheny campuses. The minimum, mean, and maximum salary amounts are provided per the university’s academic salary table. The per-unit rates articulated on the salary table have been calculated to represent the minimum, maximum, and mean payment for a 3-unit course. Salary amounts for all nonsalaried part-time faculty are based on this salary table.
78. Includes Cookeville, Highland Crest, and Livingston campuses.
79. Includes Everett, Pullman, Spokane, Tri-Cities, and Vancouver campuses.
80. Includes Great Valley, Harrisburg, and Erie campuses.
81. Includes Kenai Peninsula, Kodiak, Matanuska Susitna, and Prince William Sound Colleges.
82. Includes Owens, Stanton/George, and Terry campuses.
83. Includes Radford University Carilion, formerly known as Jefferson College of Health Sciences.
84. Includes U of Arizona–South.
85. Includes the Mount Ida Campus, formerly reported as a separate institution, Mount Ida College.
86. Lecturer (per-section) pay is for Denver Campus only and refers to 2018 policy grid, adjusted for two years to estimate academic year 2020–21 rates. Count is for Denver/AMC consolidated, excluding School of Medicine.
87. Mean pay per section cannot be provided because pay is based on load hours, not credit hours. The information represents the number of undergraduate part-time faculty only.
88. Most regular sections carry four credits.
89. Part-time faculty salaries are not converted; based on 4-credit course sections.
90. Part-time excludes private lessons and law.
91. Part-time faculty are paid at an hourly rate using 18 hours per credit hour (unit).
92. Part-time faculty compensation is highly variable and depends upon course enrollments, instructor degree, and other factors. Salary information is provided based upon courses taught at the standard rate for the faculty member (per AAUP guidance).
93. Part-time faculty teach a 4-credit hour course standard and salaries have not been converted.
94. Part-time per-section faculty have retirement benefits if they are already a member of the OTRS system. OPSU gives adjunct faculty members the opportunity to teach course sections that do

- not meet minimum enrollment requirements for a full-pay course section (6 students) at a prorated salary.
95. Pay is on a course-unit system, where a regular course is valued at 4 credits.
 96. Per-section salary amounts have been converted to three-credit-hour equivalents as specified by AAUP instructions. Unadjusted five-credit-hour rates are \$9,000 (minimum), \$25,764 (maximum), and \$15,956 (mean).
 97. Saint Joseph's University merged with University of the Sciences June 1, 2022.
 98. Starting in 2020–21, data are reported for total university rather than by campus.
 99. Teaching load is based on courses, not credit hours. One course is the equivalent of 4 credit hours.
 100. The University of Pittsburgh at Titusville is under the management and administration of the University of Pittsburgh at Bradford.
 101. The University of Pittsburgh at Titusville is under the management and administration of the University of Pittsburgh at Bradford. In fall 2020, the University of Pittsburgh at Titusville converted its academic programs into a multi-institution education and training hub. The University of Pittsburgh at Titusville Education and Training Hub operates as a shared campus, providing a range of education and workforce training programs.
 102. The University of Pittsburgh has reclassified many teaching faculty from instructors into the professor rank categories.
 103. The maximum per-section salary amount is inclusive of courses that require special expertise or professional credentials to teach the section.
 104. The minimum pay is due to underenrolled classes (typically a class needs 4–6 student enrollment), and a fully enrolled course pays \$1,850.
 105. This note has been removed from appendix III at the request of the institution.
